

Brian Peterson who were involved in the transport and care of Parades before he died.

5. Plaintiff's counsel has had a difficult time in obtaining a medical expert knowledgeable in jail medicine. We have reached out to several experts but only recently heard back from one in California that would be willing to look over the records but there is not enough time for him to review the records prior to the expert disclosure deadline on March 31, 2017.

6. Plaintiff's counsel in addition to attempting to locate a medical expert for the case at issue, has been busy handling appeals and other large cases before this Honorable Court, including but not limited to:

- a. *Jakupovic v. Curren et al.*, 16-3374, U.S. Court of Appeals for the Seventh Circuit, our appellant reply brief filed on January 11, 2017 and oral argument on February 8, 2017;
- b. *Mancari v. Colvin*, 16-3122, U.S. Court of Appeals for the Seventh Circuit, our appellant reply brief filed on January 24, 2017 and oral argument on February 15, 2017;
- c. *Catinella v. County of Cook et al.*, 16-2278, U.S. Court of Appeals for the Seventh Circuit, our appellant reply brief due on February 28, 2017, oral arguments were set for April 4, 2017 but then cancelled by the Court;
- d. *Topinka v. Kimme et al.*, 16-1000, Illinois Appellate Court for the 1st District, oral arguments had on March 8, 2017;
- e. *Society of American Bosnians and Herzegovinians v. City of Des Plaines*, 13 cv 6594, summary judgment decision issued on February 26, 2017; and

f. *Gonzales v. Madigan et al.*, 16 cv 7915, amended complaint filed on March 29, 2017,

in addition to other files.

7. Plaintiff's counsel brings this motion in good faith and requests an extension of time to and including May 15, 2017 for plaintiff's disclosure of Rule 26(a)(2) experts.

8. Plaintiff's counsel has asked Defendants' counsel whether they oppose this motion. Counsel for Cook County and the Defendant Doctors, Tom Cargie, objects to the extension of time. As of the time of filing of the motion, plaintiff's counsel has not heard from Counsel for the Sheriff Dart and Defendant Officers, Thomas Nowinski.

9. Any prejudice to the Defendants if this motion was granted would be minimal, while the prejudice to the Plaintiff if it was not granted would be great.

WHEREFORE, Plaintiff, GINA POLO, prays that this Honorable Court grant her an extension of time to provide the Rule 26(a)(2) Expert Disclosures to and including May 15, 2017, and for such other relief that this Honorable Court deems equitable and just.
